## Street Improvements – Kellick Street, Waterloo

We will soon start work to improve the street closure at the end of **Kellick Street at Elizabeth Street, Waterloo**.

**Type of work:** Construct garden beds  
**Start date:** Wednesday 19 June 2024  
**Duration:** Two weeks  
**Working hours:** 7.30am to 5.30pm – Monday to Friday  
7.30am to 3.30pm – Saturday

We will work to minimise impacts during this time, however there will be some machinery noise and temporary restrictions to vehicle parking.

If there is wet weather, our contractors will try to start the work the next day. If unsuitable weather continues, we will update you on any changes to the schedule.

You will still be able to access properties in the street, and we will contact you if we need to temporarily restrict access to progress work.

Thank you for your patience while we complete these important works.
