Street Improvements – Elizabeth Street, Sydney

We will soon start work to improve **the roadway on Elizabeth Street between King Street and Market Street, Sydney.**

Type of work: road resurfacing, base repairs, and concrete gutter
Start date: 15 April 2024
Duration: Six weeks
Working hours: 8pm to 5am – Monday to Thursday
7.30am to 3.30pm - Saturday

We will work to minimise impacts during this time, however there will be some machinery noise, temporary restrictions to vehicle parking and changes to pedestrian access.

If there is wet weather, our contractors will try to start the work the next day. If unsuitable weather continues, we will update you on any changes to the schedule.

You will still be able to access properties in the street, and we will contact you if we need to temporarily restrict access to progress work.

Thank you for your patience while we complete these important works.
