Street Improvements – Pyrmont Street, Pyrmont

We will soon start work to improve **the footway on Pyrmont Street between Allen Street and the overhead bridge, Pyrmont.**

Type of work: footpath works
Start date: 20 May 2024
Duration: three weeks
Working hours: 7:30am to 5:30pm – Monday to Friday
7.30am to 3.30pm – Saturday

Some work in front of the café and hotel will be undertaken between 3pm and 11pm. All noisy works will be completed before 8pm.

We will work to minimise impacts during this time, however there will be some machinery noise, temporary restrictions to vehicle parking and changes to pedestrian access.

If there is wet weather, our contractors will try to start the work the next day. If unsuitable weather continues, we will update you on any changes to the schedule.

You will still be able to access properties in the street, and we will contact you if we need to temporarily restrict access to progress work.

Thank you for your patience while we complete these important works.
