

20 February 2024
Our Ref: 10385806

Street improvements Day – Street Improvements – Mitchell Road, Alexandria

Street: Mitchell Road, Alexandria
Section: Intersections of Fountain and Copeland Streets
Duration: Two months

Works being done:

- Improving access ramps
- Footpath renewal
- Upgrading traffic signals
- Linemarking and signage

The contractor, Sydney Civil will start work in about 3 weeks. Work will be carried out during the day between **10am and 3pm Monday to Friday, 7:30am and 3:30pm Saturday**. The work is expected to take about two months to complete, weather permitting.

Some night work will be required with community letter to be distributed prior to these works.

We will work to minimise impacts during this time. There will be some machinery noise, temporary restrictions to vehicle parking and changes to access for people walking.

If there is wet weather, our contractors will try to start the work the next day. If unsuitable weather continues, we will update you on any changes to the schedule.

You will still be able to access properties in the street. We will contact you if we need to temporarily restrict access to progress work.

Thank you for your cooperation while we carry out these important works.
