## **Maintenance Work – George Street, Sydney**

We will start footway maintenance work on **George Street between Alfred Street and Liverpool Street**. These works will make the footpath safer, more accessible and more pedestrian-friendly.

**Type of work:** footway maintenance  
**Start date:** Monday, 13 February 2023  
**Duration:** Five days  
**Working hours:** 7.30am to 5.30pm – Monday to Friday

We will work to minimise impacts during this time, however there will be some machinery noise, temporary restrictions to vehicle parking and changes to pedestrian access.

If there is wet weather, our contractors will try to start the work the next day. If unsuitable weather continues, we will update you on any changes to the schedule.

You will still be able to access properties in the street, and we will contact you if we need to temporarily restrict access to progress work.

Thank you for your patience while we complete these important works.
