Street improvements

Day – Street Improvement Works – Roslyn Gardens, Potts Point

Sydney Civil will soon start work to improve the intersection of **Roslyn Gardens and Roslyn Street, Potts Point.**

Street:	Roslyn Gardens
Section:	Intersection of Roslyn Street
Type of work:	new raised pedestrian crossing, kerb extensions, footpath renewal, stormwater pit and pipes, garden beds and street lighting.
Start date:	5 February 2024
Duration:	three months
Working hours:	7:30am to 5:30pm - Monday to Friday 7:30am to 3:30pm - Saturday

We will work to minimise impacts during this time. However, there may be machinery noise, temporary restrictions to traffic parking and changes to pedestrian access.

If there is bad weather, our contractors will try to start the work the next day. If unsuitable weather continues, we will update you on any changes to the schedule.

You will still be able to access properties in the street. We will contact you if we need to temporarily restrict access to progress work.

Thank you for your patience while we complete these important works.
