

19 February 2024
Our Ref: 10202234

Day – Street Improvement Works – Terry Street, Surry Hills

Street: Terry Street, Surry Hills
Section: Kippax Street to Foveaux Street
Duration: three months

Works being done:

- paved roadway treatment at intersections
- footpath widening on Foveaux between Terry and Elizabeth Streets
- road resurfacing
- shared zone
- kerb ramps
- Concrete footpath

The contractor, Sydney Civil will start work in about 4 weeks. Work will be carried out during the day between **7:30am and 5:30pm Monday to Friday, 7:30am and 3:30pm Saturday**. The work is expected to take about three months to complete, weather permitting.

Some night work will be required with community letter to be distributed prior to these works.

We will work to minimise impacts during this time. There will be some machinery noise, temporary restrictions to vehicle parking and changes to access for people walking.

If there is wet weather, our contractors will try to start the work the next day. If unsuitable weather continues, we will update you on any changes to the schedule.

You will still be able to access properties in the street. We will contact you if we need to temporarily restrict access to progress work.

Thank you for your cooperation while we carry out these important works.
