Street improvements Night – Street Improvements – Mitchell Road, Alexandria

Sydney Civil will continue works on your street on behalf of the City of Sydney.

Street:	Mitchell Road
Intersections:	Fountain and Copeland Streets
Type of work:	improving access ramps, footpath renewal, upgrading traffic signals, linemarking and signage
Start date:	15 April 2024
Duration:	three weeks
Working hours:	8pm to 5pm – Monday to Thursday

We will work to minimise impacts during this time. There will be some machinery noise, temporary restrictions to vehicle parking and changes to pedestrian access.

If there is wet weather, our contractors will try to start the work the next day. If unsuitable weather continues, we will update you on any changes to the schedule.

You will still be able to access properties in the street. We will contact you if we need to temporarily restrict access to progress work.

Thank you for your patience while we complete these important works. We're working hard at transforming our streets and public spaces to make them safer, accessible and more inviting for everyone, especially people walking and riding bikes.
