## Improving Crown Street, Surry Hills Upcoming work in your street

We're ready to start works to upgrade Crown Street between 352 Crown Street and Clifton Reserve – near to Crown Street Public School, Surry Hills.

Our upgrade will make Crown Street greener, help increase passing trade for local businesses and make it easier for people to walk and ride. We will install upgraded footpaths, new garden beds, alfresco dining spaces, new lighting, around 40 more trees and 10 new parking spaces. Learn more about the upgrade online at [cityofsydney/crown-st](https://cityofsydney.nsw.gov.au/cityofsydney/crown-st)

### What to expect during construction work

The City's contractor, Sydney Civil will take steps to minimise potential impacts. However, there will be machinery noise, temporary restrictions to vehicle parking and temporary alternative pedestrian access.

We will also erect temporary fencing and install water-filled barriers to create a safe working area for our construction team and the community.

In the event of wet weather or other delays, work will commence the following day. If unsuitable weather or other delays continues, we will notify of the change in scheduling. Please subscribe to receive email updates.

To further minimise potential impacts of construction work on students and their families we will work reduced hours for noisy and disruptive activities during **school days (9:30am to 2:30pm)** and keep the school drop-off parking zone and bus zone open until the end of school term on **Saturday 16 December**. We will continue work throughout the school holiday break until late January 2024, weather permitting.

Sydney Civil will also provide temporary site amenities for our workers nearby. The site amenities will operate from **7am to 6pm Monday to Friday** and **7am to 4pm on Saturdays**. We will notify local residents and businesses if we need to work outside these times at the site office to support any required night works.
